1. A "*****" following a place name indicates that the place is coextensive with a MCD. A "◆◆◆◆◆" indicates that the place is also a tribal MCD. In both cases, the MCD name is the only one that differs from the place name.
2. A "■ ■ ■ ■ ■" following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.
3. A "● ● ● ● ●" following a block number indicates that the block number is repeated elsewhere in the block.

ALL legal boundaries and names are as of January 1, 2000.
